

How it Works

All District 6 clubs are automatically entered to participate in this year's Distinguished Club Competition.

Each club will earn points based on the action items and incentives listed to the right. This document also serves as a useful checklist of many of the yearly responsibilities a local club needs to remember.

Winners receive cash from AAF District 6 based on total points awarded. Results of the competition will be announced on or before Monday, May 1st, 2023.

The first opportunity to win points is Thursday, September 15th, 2022 by attending the President's Call. Hope to see you all there!

Verification Requirements

Items preceded by an asterisk need to have proof submitted by a club representative by the date shown to win points. Most verification can be done with any medium that shows the task was accomplished: Photocopy, PDF, screenshot, email, etc. Increase in Membership will be completed by AAF District 6 using last year's dues invoice. Increase in Award Entries will be completed by AAF District 6 through OpenWater Software.

Verification Procedure

Submit all verification materials to Bridget Lescelius, Lt. Governor, via email to bridget@groupclover.com.

Submission deadlines are at 11:59pm CST of the date shown.

Tiebreaker

In the event of a tie, the club with the larger membership and/or awards increase will win the higher prize.
